

**Gold Springs Resource Corp.
Receives CAD\$ 4,364,315 Non-Dilutive Funding
from the Sale of its World Copper Ltd. Securities**

Vancouver, October 25, 2021

Gold Springs Resource Corp. (TSX: GRC, OTCQB: GRCAF) (the “**Company**”) is pleased to announce the receipt of CAD\$ 4,364,315 for the sale of World Copper Ltd. securities (please refer to the detailed information in the early warning report section in page 2).

*Antonio Canton, President and CEO, stated: “We are very pleased for all our shareholders to have received this non-dilutive funding of **CAD\$ 4.36 million** which will be allocated for the rapid development of our large Gold Springs project.*

After the promising results in North Jumbo and Charlie Ross in our last news releases, all our team is now looking forward to the coming assays of White Point, but also especially of the follow-up holes in North Jumbo where we had exciting results with 6.87 g/t gold equivalent over 24.4 meters, which included 30.9 g/t gold equivalent over 4.6 meters, and 0.59 g/t gold equivalent over 82.3 meters (Hole J-21-006 North Jumbo)”.

(Please refer to the Company’s news release of September 7, 2021 for additional information about the North Jumbo results).

Forward-Looking Statements

Certain statements contained herein constitute “forward-looking information” under applicable Canadian securities laws (“forward-looking statements”). Forward-looking statements look into the future and provide an opinion as to the effect of certain events and trends on the business. Forward-looking statements may include words such as “creating”, “believe”, “would”, “continue”, “will”, “promising”, “should”, and similar expressions. Forward-looking statements in this news release include, without limitation, statements related to the rapid development of the Company’s large Gold Springs project. These forward-looking statements are based on current expectations and entail various risks and uncertainties. Actual results may materially differ from expectations if known and unknown risks or uncertainties affect our business or if our estimates or assumptions prove inaccurate. Factors that could cause results or events to differ materially from current expectations expressed or implied by the forward-looking statements, include, but are not limited to, risks of the mineral exploration industry which may affect the advancement of the Gold Springs project, including possible variations in mineral resources, grade, recovery rates, metal prices, capital and operating costs, and the application of taxes; availability of sufficient financing to fund planned or further required work in a timely manner and on acceptable terms; availability of equipment and qualified personnel, failure of equipment or processes to operate as anticipated, changes in project parameters, including water requirements for operations, as plans continue to be refined; regulatory, environmental and other risks of the mining industry more fully described in the Company’s Annual Information Form and continuous disclosure documents, which are available on SEDAR at www.sedar.com.

The assumptions made in developing the forward-looking statements include; the accuracy of current resource estimates and the interpretation of drill, metallurgical testing and other exploration results; the continuing support for mining by local governments in Nevada and Utah; the availability of equipment and qualified personnel to advance the Gold Springs project; execution of the Company's existing plans and further exploration and development programs for Gold Springs, which may change due to changes in the views of the Company or if new information arises which makes it prudent to change such plans or programs. Readers are cautioned not to place undue reliance on the forward-looking statements contained in this press release. Except as required by law, the Company assumes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or any other reason. Unless otherwise indicated, forward-looking statements in this press release describe the Company's expectations as of the date hereof.
