About TriMetals Mining Inc.

TriMetals Mining Inc. (TSX: TMI and OTCQB: TMIAF) is a growth-focused gold exploration company creating value through the exploration and development of the near-surface Gold Springs gold-silver project in mining-friendly Nevada and Utah, U.S.A.

The Company's Class B shares are listed on the Toronto Stock Exchange under "TMI.B" and have no interest in the properties or assets of the Company other than the collective entitlement to 85% of the net cash, if any (after deducting all costs, taxes and expenses and the amount due to a third party that funded the costs of the arbitration), received by the Company from an award on settlement in relation to the arbitration proceeding against Bolivia for the exploration of the Malku Khota project in 2012.
